The Imagine Sierra Vista Roadrunner Booster Club has been organized to assist in the development of an after hours sports program. During the 2009-2010 school year, we began the program by joining the Cochise Athletic League competing in Co-ed Cross Country, Boys and Girls Basketball, Girls Volleyball, Co-ed Cheerleading, Boys Baseball, and Girls Softball. We had more than 100 5-8 graders participating in these sports.

The Booster Club assisted by raising / donating funds to purchase uniforms and sports equipment. The club also assisted by identifying volunteers to coach or assist the coach in the individual sports.

More volunteers are required to continue the progress made last year. We need parents/grandparents/friends to join the Booster Club (\$5.00) and to assist with the teams. Next year promises to be a GREAT year for the Imagine Sierra Vista sports programs. PLEASE BE AN ACTIVE MEMBER OF THIS PROGRAM.
