

Roadrunners Booster Club

Dear Imagine Family and Friends,

The first year of the Imagine Sierra Vista sports program is off to a very good start. Our Cross-Country team, coached by Mr. and Mrs. Ingold and Ms. Bartlett, and our Volleyball team, coached by Ms. Beaman, Ms. Ritchey, and Ms. Wills, have completed the first two weeks of the Cochise Athletic Conference competition. There are meets and matches scheduled weekly through the first week of October.

As a member of the CAC, Imagine Sierra Vista will participate in seven conference sports this year for grades 6-8. Additionally, the Roadrunners will be developing and supporting intramural activities such as soccer and lower grade sports programs.

The Imagine Sierra Vista Roadrunner Booster Club needs your help and support to continue and enhance the after school sports programs. The Booster Club has projected a need for \$4000-\$5000 to maintain and enhance the sports programs.

The ISV Booster Club will help the school purchase uniforms and athletic equipment, pay for transportation to competitions, and fund a sundry of other projects to develop the athletics tradition at ISV. Thank you for your support!

Sincerely,

The Roadrunners Booster Club
